The Chair may specify one or more individuals who are not members of the JEA Board to work with and assist the special committee. The Chair shall name one of the committee members as committee chair and one as committee vice-chair; both positions must be filled by current members of the JEA Board. Unless otherwise specified by the Chair, a special committee shall have a specified period of time within which to study the matter and make its recommendation to the Board and shall dispatch as expeditiously as possible and proper the business assigned to it. Upon earlier of the fulfillment of its function or the expiration of the specified period of time (unless extended by the Chair), the committee shall be terminated with no further formal action required.

Section 6. Committee Vacancies. The Chair of the JEA Board shall fill vacancies in the membership of any committee. Should the Chair of the JEA Board fail to fill a vacancy within a reasonable length of time after such a vacancy occurs, then such vacancy may be filled by a majority of the members of the JEA Board acting in any regular or special meeting.

Section 7. Conduct of Committee Business. A majority of the entire membership of the committee shall constitute a quorum, and the quorum shall be physically present, unless otherwise provided by law. An act of the majority of the committee present at any meeting shall constitute the act of the committee. Any JEA Board member may attend any committee meeting and offer comments and observations, but only committee members may participate in committee debate on the matter, make motions, and vote. Except as provided otherwise herein, Roberts Rules of Order shall govern the conduct of committee business, unless the majority of the committee present at such meeting shall elect to utilize other rules or procedures consistent with applicable law and these By-Laws. Committees shall be subject to the requirements of Chapters 119 and 286, Florida Statutes. Reasonable notice shall be given prior to all committee meetings, and all committee meetings shall be open to the public. Opportunity for public comment shall be given prior to any action taken by a committee in accordance with the rules for public comment provided in Article V, below.

ARTICLE V - CONDUCT OF BOARD BUSINESS

Section 1. Regular Meetings. Generally, the JEA Board shall meet once a month, but in no event less than eight (8) times a year. Regular meetings shall be held at the principal offices of JEA in the City of Jacksonville, or at such other public place within the City of Jacksonville as may be determined by the Chair, and at such times as the Chair or a majority of the members may designate. More frequent regular meetings may be held at the pleasure of a majority of the members.

Section 2. Special Meetings. Special meetings of the JEA Board may be called by the Chair or by any three (3) members. Special meetings shall be held at the principal offices of JEA in the City of Jacksonville, or at such other public place within the City of Jacksonville as may be determined by the Chair.

Section 3. Notice of Special Meetings and Purpose. Notice of each special meeting of the members shall be given by the Chair or by the three (3) members who may have called such special meeting. Such notice shall be in writing and shall be provided to every member not less than seven (7) days before the meeting and shall state the purpose, time and place of the special meeting. Attendance by a member at a special meeting shall constitute waiver of notice. A member may, however, appear at a meeting for the sole purpose of objecting to the transaction of any business on the ground that the meeting was not lawfully called without losing the right to object to improper notice. No business shall be transacted at any special meeting other than the purpose specified in the notice unless a majority of the members in attendance at such special meeting agree to transact other business.

Section 4. Teleconference or Videoconference Meetings. The Chair may allow individual Board member(s) to attend a regular or special meeting by teleconference or videoconference, provided that a quorum of members is physically present, unless otherwise provided by law. Except in the event of extenuating circumstances, requests to attend by teleconference or videoconference must be submitted to the Chair no less than seven (7) days prior to a regular meeting and no less than twelve (12) hours before any special meeting. Whenever any Board member attends a meeting by teleconference or videoconference, the Chair shall conduct the meeting in a manner so as to allow, to the fullest extent possible, simultaneous communication, including, at a minimum, that all JEA Board members attending the meeting and all other participants in the meeting may hear and be heard by each other. A Board member or other person wishing to speak must first identify himself/herself to the Chair and request recognition from

the Chair before speaking. Visual presentations shall be described in detail for any Board member attending by teleconference who is unable to view the presentation. In the case of any vote, the Chair shall call for a roll-call vote. It is the Board's policy that, where possible, all members be physically present at all Board meetings and that attendance by teleconference or videoconference be limited to emergencies or other unanticipated and unavoidable conflicts.

Section 5. Quorum and Votes Required for Action. A majority of the Board members shall constitute a quorum for the purpose of meeting and transacting business, and, unless otherwise provided by law, such quorum shall be physically present. A majority vote of the members present at the meeting shall be required to accomplish an act of business. Pursuant to Chapter 286, Florida Statutes, no member who is present at any Board meeting may abstain from voting except when there is, or appears to be, a possible financial conflict of interest under Sections 112.311, 112.313, or 112.3143, Florida Statutes, as amended. In such case, the abstaining Board member shall comply with the participation limitations and disclosure requirements of Chapter 112, Florida Statutes. Members must be present and cast their own vote. Voting by proxy is not permitted. The Chair shall announce the results of every vote. After the announcement of the results of a vote, no vote may be changed or taken on the question unless a motion for reconsideration is approved.

Section 6. Vacancies. Any vacancy occurring in the office of a member of the JEA Board shall be filled for the unexpired term in the manner provided in the JEA Charter.

Section 7. Rules and Procedures. Except as provided otherwise in these By-Laws or in Policy 2.1.5 of the JEA Board Policy Manual, Robert's Rules of Order shall govern the conduct of the JEA Board business, unless the majority of members shall elect to utilize other rules or procedures consistent with applicable law and these By-Laws.

Section 8. Agenda. The agenda and any meeting materials for any regular, special and committee meetings shall be published in a conspicuous manner on the official JEA website generally no later than seventy-two (72) hours before the meeting; provided, however, that nothing in this Section shall prohibit JEA from amending previously published meeting agendas and meeting materials as may be necessary for the proper functioning of the Board or for other public purpose. The agenda shall be established in accordance with Policy 2.1.3.2 of the JEA Board Policy Manual.

Section 9. Public Comment. Members of the public shall be given a reasonable opportunity to be heard on a proposition before the Board. The opportunity to be heard need not occur at the same meeting at which the Board takes official action on the proposition if the opportunity occurs at a meeting that is during the decisionmaking process and is within reasonable proximity in time before the meeting at which the Board takes official action. This Section does not prohibit the Board from maintaining orderly conduct or proper decorum in a Board meeting. Unless otherwise provided by law, members of the public are not entitled to a reasonable opportunity to be heard in public meetings of the Board in the following circumstances:

- (a) The Board is making an official act that must be taken to deal with an emergency situation affecting the public health, welfare, or safety, if compliance with the requirements would cause unreasonable delay in the ability of the Board to act;
- (b) The Board is making an official act involving no more than a ministerial act, including, but not limited to, approval of minutes and ceremonial proclamations;
- (c) The meeting is exempt from Section 286.011, Florida Statutes; or

- (d) The Board is acting in quasi-judicial capacity. This subsection does not affect the right of a person to be heard as otherwise provided by law.

Prior to addressing the Board, each person desiring to speak shall fill out a speaker card, provided by the Board Services staff, and return the completed card to the Board Services staff before speaking. The speaker card should contain the speaker's name, residential address and ZIP code, the date of the meeting at which they are speaking, the subject matter the person desires to address, and any entity, group, or organization the speaker may be representing. Speakers shall limit comments to three (3) minutes and may not assign any portion of that time to another speaker. For good cause, the Chair may elect to extend the time available for comment for any speaker.

For public comment on items that are not a proposition being considered by the Board, a general public comment period may be provided for persons to address the Board on matters which reasonably need the attention of the Board. Each person addressing the Board shall limit comments to three (3) minutes, unless extended by the Chair for good cause.

Members of the public shall address their comments to the Board as a whole and not to any member of the Board individually or any group of members. Persons shall not address the Board with personal, impertinent, or slanderous remarks or become boisterous. A member of the Board shall not engage in dialogue with persons making public comment unless the question or comment of the member is directed through the Chair or with the permission of the Chair.

Section 10. Executive Session. The Board may only meet in a private, closed "executive session" in accordance with the procedures set forth in this Section 10 and with Florida law, including but not limited to Sections 286.011(8) and 286.0113, Florida Statutes. All exempt portions of such a meeting shall be recorded and transcribed. No portion of the exempt meeting may be held off the record. Such recordings and transcripts shall be confidential and exempt from disclosure to the extent provided by law.

The Board and the CEO may meet in private with JEA's attorney to discuss pending litigation to which JEA is presently a party before a court or administrative agency, provided that the following conditions are met:

(a) JEA's attorney shall advise the Board at a public meeting that he or she desires advice concerning the litigation.

(b) The subject matter of the meeting shall be confined to settlement negotiations or strategy sessions related to litigation expenditures.

(c) The entire session shall be recorded by a certified court reporter. The reporter shall record the times of commencement and termination of the session, all discussion and proceedings, the names of all persons present at any time, and the names of all persons speaking. No portion of the session shall be off the record. The court reporter's notes shall be fully transcribed and filed with the entity's clerk within a reasonable time after the meeting.

(d) The entity shall give reasonable public notice of the time and date of the attorney-client session and the names of persons who will be attending the session. The session shall commence at an open meeting at which the persons chairing the meeting shall announce the commencement and estimated length of the attorney-client session and the names of the persons attending. At the conclusion of the attorney-client session, the meeting shall be reopened, and the person chairing the meeting shall announce the termination of the session.

ARTICLE VI - EFFECT OF BY-LAWS

Section 1. Purpose. These By-Laws are for the efficient operation of the Board. Noncompliance with these By-Laws shall not operate to invalidate any JEA Board action otherwise valid under applicable law or to give rise to, or form a basis for, any private right of action.

Section 2. Suspension of By-Laws. Any rule or provision of these By-Laws may be temporarily suspended, unless such suspension would conflict with the provisions of Florida law, the JEA Charter, or the Ordinance Code of the City of Jacksonville, by the affirmative vote of four (4) members at any regular or special meeting, and shall remain suspended only for the time indicated in the motion. The rules and provisions of the By-Laws shall not be suspended to amend any rule or part thereof.

The Chairman is authorized to use any reasonable interpretation of provisions in these policies.

(1) The Chair is empowered to chair Board meetings with all the commonly accepted powers of that position, such as ruling and recognizing.

(2) The Chair may delegate this authority but remains accountable for its use.

(3) The Chair may appoint members and a Chair for each Board Committee, unless otherwise stipulated by Board policies.

2.1.4.3 The Board Secretary shall exercise oversight of the procedures used by JEA Staff to accurately produce and publish minutes of all Board and Committee meetings. Minutes from Board and Committee meetings will be posted in a conspicuous manner on the official JEA website within a reasonable period of times after the meeting concludes (which entails board/committee actioning approval of the minutes before posting), generally within seventy-two (72) hours after each meeting. The Board commits itself to lawful, ethical and businesslike conduct, following all requirements of Florida Law, Ordinances of the City of Jacksonville, and the JEA Charter, including proper use of its authority and appropriate decorum when acting as Board members.

Accordingly,

- 2.1.6.1 Members are expected to represent the best interests of JEA. This accountability supersedes any conflicting loyalty such as that to advocacy or interest groups and membership on other Boards or staffs. It also supersedes the personal interest of any Board member acting as a consumer of JEA's services.
- 2.1.6.2 Members must avoid self-dealing and conflicts of interest with respect to their fiduciary responsibility. They shall comply with Chapter 112, Part III (Code of Ethics for Public Officers and Employees, Florida Statutes, and Chapter 602 (Jacksonville Code of Ethics), Ordinance Code of the City of Jacksonville.

 - b. Members' interaction with the public, the press, or other entities must recognize the same limitation and the inability of any Board member to speak for JEA or for the Board as a whole, except to repeat expressly stated Board decisions.
 - c. Except for participation in Board deliberation about whether the CEO has achieved any reasonable interpretation of Board policy, members will not express individual judgments of negative performance of JEA employees or the CEO.
- 2.1.6.4 Members are expected to support the legitimacy and authority of the final determination of the Board on any matter, without regard to the member's personal position on the issue.
- 2.1.6.5 Members who have any question about the appropriateness of their conduct should consult with the Office of General counsel or appropriate Ethics offices for information.

POLICY 2.1.8

POLICY TITLE: *BOARD COMMITTEE PRINCIPLES*

Board committees, when used, will be assigned so as to assist the Board and not to interfere with delegation from the Board to the CEO.

Accordingly,

- 2.1.8.1 Board committees are to help the Board accomplish its responsibilities and are not assigned to perform staff functions. Committees ordinarily will assist the Board by preparing policy alternatives and implications for Board deliberation. In keeping with the Board's broader focus, Board committees will normally not have direct dealings with current staff operations unless specifically outlined in committee objectives.
- 2.1.8.2 Board committees are advisory and may not speak or act for the Board, except when formally given such authority by the Board for specific purposes. Expectations and authority of a committee will be carefully and expressly stated at the time of its establishment in order to prevent conflict with authority delegated to the CEO or to another committee.
- 2.1.8.3 Board committees cannot provide direction to or exercise authority over JEA staff. The CEO works for the full Board and, therefore, will not be required to obtain the approval of a Board committee before taking an executive action.

If at any time during a member's tenure on the governing body of JEA, such member shall cease to possess the qualifications required for membership on the governing

body of JEA, such member shall cease to be a member and a vacancy shall exist on JEA. Any vacancy on the governing body of JEA, however created, shall be filled for the unexpired term in the same manner as the position was originally filled, and the person filling the vacancy shall have and shall retain all the qualifications prescribed for membership on JEA. Any member appointed to the governing body of JEA for two consecutive full terms shall not be eligible for the succeeding term. The members appointed by the mayor may be removed by the mayor at any time with or without cause, but a removal must be approved by a two-thirds vote of the council. The members appointed by the council may be removed by the council at any time with or without cause, but a removal must be approved by a two-thirds vote of the council.

Additionally, Members shall be subject to all other relevant and applicable laws and ordinances, including but not limited to, F.S. Ch. 286 (Public Business: Miscellaneous Provisions), as amended; F.S. Ch. 112, Part III (Code of Ethics for Public Officers and Employees), as amended; and F.S. Ch. 119 (Public Records), as amended, and Chapter 602 (Jacksonville Code of Ethics), Ordinance Code of the City of Jacksonville, as amended.
- (c) *Officers; meetings; quorum; governing documents.* The governing body of JEA shall elect a chairperson, vice-chairperson and secretary of JEA and may elect one or more assistant secretaries of JEA, each of whom shall serve for one year or until such officer's successor is chosen. JEA may meet at such times and places designated by the governing body of JEA and shall hold regular meetings as necessary. Generally, JEA shall meet once a month, but in no event less than eight (8) times a year. Special meetings may be held upon the call of the chairperson or any three (3) members. JEA meetings shall be subject to F.S. § 286.011 (Florida Open Meetings Laws), as amended. A majority of the membership shall constitute a quorum for the purpose of meeting and transacting business. Each member shall have one vote. The governing body of JEA shall adopt governing documents, including, but not limited to, bylaws, a board policy manual, and such other rules and regulations not inconsistent with this Article, the charter or general law. Unless otherwise provided herein, the governing body of JEA shall annually review and update its governing documents. - (e) *Transparency in meetings.* JEA should hold its meetings in the most open and transparent manner practicable for the benefit of the public and citizens of the City of Jacksonville. JEA shall adopt procedural rules regarding the publication of meeting agendas, meeting materials, meeting minutes, and public participation during all meetings, including regular, special and committee meetings, where action by the governing body of JEA or committee is contemplated. To the greatest extent feasible, JEA is encouraged to adhere to best practices and recommendations regarding openness and transparency contained in the latest published edition of Florida's Government-In-the Sunshine Law Manual prepared by the Office of the Attorney General. At a minimum, such procedural rules should require JEA to (i) publish an agenda and any meeting materials for its regular, special and committee meetings in a conspicuous manner on JEA's official website; (ii) promptly post meeting minutes generally within 72 hours after each meeting; and (iii) provide the timeframe for when an agenda and any meeting materials must be made available to the public in advance of such meetings. Such procedural rules should also require JEA to deliver copies of its meeting agendas, including regular, special and committee meeting agendas, and any meeting materials related thereto, to the council auditor in substantially the same timeframe and content as provided to members. The right of eminent domain conferred herein shall be exercised by JEA in the manner provided by law. If JEA leases any real property to another agency, firm, corporation, entity, or individual, it shall cause a memorandum of said lease to be recorded in the official records with the clerk of the circuit court where the property is located. - (e) To enter into contracts with any person or entity, public or private, deemed necessary or desirable by JEA in connection with carrying out its powers and duties, except as otherwise prohibited in this Article or the charter.
- (f) To fix, pledge to establish or establish, levy, regulate, impose and collect rates, assessments, fees and charges for the use or benefit of the utilities system and to alter and amend same from time to time, which rates, assessments, fees and charges shall result in JEA receiving or possessing an amount which, together with accumulated balances from prior years available therefore is not less than is required to operate and maintain a self-liquidating or self-sustaining utilities system. When establishing or altering rates, assessments, fees or charges for retail service, JEA shall first give notice of and hold a public hearing in the City of Jacksonville. The notice shall be published not less than one (1) week in advance in at least one (1) newspaper of general circulation in the city. Said notice shall be at least one-fourth page in size, inviting the public to be present and heard. JEA shall have the power to impose sanctions to enforce compliance with any rule or regulation which JEA may adopt in the management and operation of, or the sale or use of any utility service provided by JEA from the utilities system including, without limitation, electricity, water, sewer and natural gas services. The city and other public bodies shall be required to pay for any utility services provided by JEA upon the same basis as other users.
- (g) To sue and be sued, implead and be impleaded, complain and defend in all courts, to adopt and use a corporate seal, to apply for, hold and own patents and copyrights, to sell or license patents, copyrights, patented or copyrighted materials to other public or private entities. Prices or fees for such sales or licensing may be based upon market considerations. JEA may

designate how proceeds from such sales or licensing shall be used. Prices or fees for the sale of copyrighted data processing software, as defined in F.S. § 119.011, shall be established pursuant to § 119.084, as amended.

- (h) To make or cause to be made such surveys, investigations, studies, borings, maps, drawings and estimates of cost and revenues as it may deem necessary, and to prepare and adopt a comprehensive plan or plans for the location, relocation, construction, improvement, revision and development of the utilities system.
- (i) (1) To issue revenue bonds or revenue certificates of JEA for the purpose of financing or refinancing the utilities system, including without limitation the financing of any one or more enlargements, expansions, developments, replacements, acquisitions or modernization of the utilities system, any expenses of the utilities system, any reserves deemed necessary or desirable by JEA and any other purpose not otherwise prohibited by law, and retiring any bond, note or revenue certificate issued under this Article, or any bond, note or revenue certificate issued by or on behalf of the city to finance the water and sewer utilities previously owned or operated by the city, and for any combination of one or more such purposes in any single issue of revenue bonds or revenue certificates. At the discretion of JEA, such bonds or revenue certificates may be issued for any one or more of the several utility systems of JEA (or any combination thereof).
- (2) The bonds or revenue certificates of each issue shall be authorized by resolution of JEA, which resolution shall contain such provisions relating to the protection and security of the holders of the bonds or revenue certificates, including their rights and remedies, and the rights, powers, privileges, duties and obligations of JEA with respect to the same. Such resolution may also contain provisions providing for the pledge of all or any part of the revenues of the utilities system, to which may, at JEA's discretion, be limited to the revenues of one or more of the several utility systems, to secure the payment of the bonds or revenue certificates of any issue and may provide for the pledge of other funds and accounts of JEA. Such resolution also shall determine the timing and manner of sale, which may be public or private; maturities; rate or rates of interest, which may be fixed or may vary at such time or times as provided or in accordance with a specified formula or method of determination (subject to any legal limitations on interest, as established by F.S. § 215.84, or according to said Section as it may from time to time be amended); and other terms and conditions of the bonds or revenue certificates, provided that JEA may delegate to the chairperson, managing director or other officer or employee of JEA designated by JEA the power to determine any such terms or conditions. However, the amounts and maturities of such bonds or revenue certificates and the interest rate or rates of such bonds or revenue certificates shall be within the limits prescribed by JEA and its resolution delegating to the chairperson, managing director or such other officer or

employee of JEA the power to authorize the issuance and sale of such bonds or revenue certificates, and, in the case of the total aggregate amount of bonds or revenue certificates issued by JEA, within the limits prescribed by ordinance of the council. In case any officer whose signature or facsimile of whose signature shall appear on any bonds or revenue certificates shall cease to be such officer before the delivery of such bonds or revenue certificates, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes the same as if such officer had remained in office until such delivery. All bonds and revenue certificates issued under the provisions of this Article shall have and are hereby declared to have all the qualities and incidents of negotiable instruments under the negotiable instruments law of the state. The issuance of such bonds and revenue certificates shall not be subject to any limitations or conditions contained in any other law.

- (3) Bonds or revenue certificates and refunding bonds or refunding revenue certificates issued pursuant to this Article if sold by bid shall be sold to the bidder whose bid produces the lowest true interest cost to JEA. JEA may restrict the bidders in any sale by pre-qualification or otherwise and may reserve the right to reject any or all bids. Prior to any sale by bid of bonds or revenue certificates JEA shall cause notice to be given in such manner and at such time as JEA shall determine. Said notice shall specify such matters relating to the bonds or revenue certificates offered for sale as JEA shall determine and shall state the manner in which bids shall be given. JEA may reserve the right to waive any informalities or irregularities if JEA determines that such actions are in its best interest. In no event shall said bonds or revenue certificates be sold at a net interest cost to JEA in excess of the legal limit, as established by F.S. § 215.84, or according to said Section as it may from time to time be amended.
- (4) In no event shall general obligation bonds be issued hereunder.
- (5) Bonds or revenue certificates may be issued by resolution of JEA, subject only to the approval by ordinance of the council of the aggregate principal amount of such bonds or revenue certificates.

- (k) To borrow money from the city, for any period not to exceed one year, to provide JEA with working capital to meet routine or emergency cash requirements and to maintain adequate inventories, at such interest rates and upon such conditions concerning the method of borrowing, the time and manner of payment and the maximum amount that may be on loan

at any time, as are determined by ordinance of the council; to lend money from one of its utilities operations to another of its utilities operations for such period, at such interest rates and upon such other conditions concerning the method of borrowing, the time and manner of payment and the maximum amount that may be on loan at any time, all as determined by JEA; and to borrow money from lending institutions, including, without limitation, borrowing as part of a commercial paper or other short-term note financing program which may include provision for payment upon demand by the purchaser or purchasers, as authorized by resolution of JEA. When authorized by resolution of JEA, such notes, including renewals thereof, may be sold or placed by officers of JEA at public or private sale and delivered by such officers to the purchaser or purchasers thereof within the limitations and restrictions contained in such resolution. Such loans between utility systems and such borrowings from lending institutions, or between one or more of the utility systems, including borrowing as part of a commercial paper or other short-term note financing program, will not require the approval of the council.

- (l) To enter into contracts determined by JEA to be necessary or desirable for the prudent management of JEA's funds, debt or fuels, and any and all other commodities used for the several utility systems including, without limitation, interest rate swaps, option contracts, futures contracts, contracts for the future delivery or price management of power, energy, natural gas or other related commodities, hedging contracts, other risk management techniques, securities lending agreements and forward purchase contracts.

- (n) To enter into joint project agreements as provided by Part II of F.S. Ch. 361, as amended, for the purpose of implementing a project, as such term is defined in Part II of F.S. Ch. 361. A copy of all such joint project agreements shall be filed with the council, the council auditor, and the mayor at least thirty days prior to the effective date of the agreement. Anything in this provision to the contrary notwithstanding, (i) any joint project agreement that involves a transfer of the electric system, function or operation that is subject to the requirements and limitations of Section 21.11 herein or (ii) any joint project agreement that involves the issuance of debt not previously authorized by Section 21.04(i)(2) herein, shall require prior approval of the council.
- (o) To enter into agreements with one or more other electric utilities, public or private, and related contracts with respect to joint electric power projects as provided in Section 2 of Chapter 80-513, Laws of Florida, as amended. The provisions of said Chapter 80-513 shall

govern and control JEA in all respects in the carrying out of a joint electric power project authorized thereunder notwithstanding any provision of the charter or of the Ordinance Code of the City of Jacksonville which may be in conflict therewith.

Whenever an expenditure of funds for any of the foregoing purposes is made by a member or employee of JEA, JEA may reimburse such member or employee

therefor, but only after such expenditures have been duly authorized by JEA or its managing director if so delegated to do so. JEA will provide a list of proposed promotional expenditures for the current fiscal year to the council auditors on or before December 31st of each fiscal year. The spending limitation on promotional expenditures set forth in this subsection shall not apply to a newly approved utility system, function or utility service under subsection (v) herein and newly approved additional services or products under subsection (p) herein. This includes the financing of power conditioning and energy conservation equipment for both residential and nonresidential customers

The express powers granted to JEA in this Article shall be strictly construed, and the implied powers granted to JEA in this Section shall be strictly construed in relation to the relevant and applicable express power granted to JEA in this Article. The fact that this Article specifically states that JEA possesses a certain power does not mean that JEA must exercise such power unless this Article specifically so requires. Section 21.07. - Fiscal and budgetary functions.

JEA shall have fiscal and budgetary functions, subject to the limitations herein expressed:

- (a) The fiscal year of JEA shall commence on October 1 of each year and end on the following September 30.
- (b) JEA shall prepare and submit its budget for the ensuing year to the city on or before July 1 of each year, setting forth its estimated gross revenues and other available funds, and estimated requirements for operations and maintenance expenses, capital outlay, debt service, and

depreciation and reserve account. The council and the mayor shall approve or disapprove such budget in the manner provided in Article 14 for budgets of independent agencies.

- (c) As consideration for the unique relationship between the City of Jacksonville and JEA, as a tax-exempt entity within the consolidated government, and in recognition of the shared attributes with the consolidated City of Jacksonville in connection with its electric, water, and sewer distribution systems, there shall be assessed upon JEA in each fiscal year, for the uses and purposes of the city, from the revenues of the electric system and the water and sewer system operated by JEA available after the payment of all costs and expenses incurred by JEA in connection with the operation of such electric system and water and sewer system (including, without limitation, all costs of operation and maintenance, debt service on all obligations issued by JEA in connection with such electric system and water and sewer system and required reserves therefore and the annual deposit to the depreciation and reserve account required pursuant to Section 21.07(g)), an amount as provided herein. Effective October 1, 2016, consistent with the provisions of this Section 21.07(c), JEA shall pay the city combined assessment for the electric system and the water and sewer system. The combined assessment for the electric system and the water and sewer system shall equal, but not exceed the greater of (A) the sum of (i) the amount calculated by multiplying 7.468 mills by the gross kilowatt-hours delivered by JEA to retail users of electricity in JEA's service area and to wholesale customers under firm contracts having an original term of more than one year (other than sales of energy to Florida Power and Light Company from JEA's St. Johns River Power Park System, exception ending December 31, 2017) during the twelve-month period ending on April 30 of the fiscal year immediately preceding the fiscal year for which such assessment is applicable plus (ii) the amount calculated by multiplying 389.20 mills by the number of K-Gals (1=1000 gallons) potable water and sewer service, excluding reclaimed water service, provided to consumers during the twelve-month period ending on April 30 of the fiscal year immediately preceding the fiscal year for which such assessment is applicable, or (B) a minimum calculated amount which increases by 1% per year from fiscal year 2016-2017 through fiscal year 2022-2023 using the fiscal year 2015-16 combined assessment of \$114,187,538 as the base year. The amounts applicable to clause (B) above are: for fiscal year 2016-2017 - \$115,329,413; for fiscal year 2017-2018 - \$116,482,708; for fiscal year 2018-2019 - \$117,647,535; for fiscal year 2019-2020 - \$118,824,010; for fiscal year 2020-2021 - \$120,012,250; for fiscal year 2021-2022 - \$121,212,373; and for fiscal year 2022-2023 - \$122,424,496.
- (d) The assessment calculations for the electric system and the water and sewer system shall be in effect until September 30, 2023. The council may reconsider the assessment calculations after October 1, 2022 and changes, if any, shall become effective October 1, 2023. The council may change the assessment calculations by ordinance within the provisions of this Section

21.07. Should the council not reconsider the assessment calculations, the assessments shall be calculated using the existing formulas specified in Section 21.07(c), including a minimum calculated amount in clause (B) therein, which increases by one percent per year for each fiscal year computed as provided in Section 21.07(c). In addition to the annual assessment as calculated in Section 21.07(c), JEA pursuant to the terms of an Interagency Agreement (as amended) with the City, agreed to provide total nitrogen water quality credit to the City to assist the City in meeting its Basin Management Action Plan load reduction goal (BMAP Credit). If JEA cannot provide the BMAP Credit pursuant to the terms of the Interagency Agreement dated March 22, 2016 (as amended), council and JEA shall work cooperatively to address the BMAP Credit shortfall or council may reconsider the assessment calculations.

- (e) The council shall have the power to appropriate annually a portion of the available revenues of each utility system (other than the electric, water and sewer systems) operated by JEA for the uses and purposes of the city. This appropriation shall be based on a formula to be agreed upon by JEA and the council. Any covenants or pledges to lenders associated with such proposed additional utility system which impair council's ability to appropriate revenues from that additional utility system, other than a pledge of gross revenues to bondholders, shall be included in the JEA resolution required in s. 21.04(v) or any future resolution allowing for financing of activities associated with that additional utility system.
- (f) JEA shall pay over to the city (i) the amounts assessed upon JEA pursuant to Section 21.07(c) and (ii) such portions of the funds actually appropriated by the council pursuant to Section 21.07(e) at such time as the council may request, but not in advance of collection. Although the calculation for (i) the amounts assessed upon JEA pursuant to Section 21.07(c) and (ii) the annual transfer of available revenue from JEA to the city pursuant to Section 21.07(e) is based upon formulas that are applied specifically to the respective utility systems operated by JEA, JEA, in its sole discretion, may utilize any of its revenues regardless of source to satisfy its total annual obligation to the city mandated by said Sections 21.07(c) and (e).
- (g) JEA shall be required to set aside each year in a depreciation and reserve account established for each utility system it operates, an amount equal to not less than 10 percent of its annual net revenues for the previous year attributable to each such system. For such purpose, "annual net revenue" shall mean annual gross revenues derived by JEA from the operation of such system reduced by expenses for operation and maintenance allocable to such system and debt service allocable to such system. Funds set aside in each such depreciation and reserve account shall be used exclusively for enlargements, extensions, improvements and replacements of capital assets of the utility system for which such account was established or to pay or provide for the payment of JEA's bonds, notes or revenue certificates relating specifically to such system; provided, however, that if JEA by resolution determines that it is in

the best interests of JEA to use all or any portion of the funds set aside in the depreciation and reserve account established with respect to a particular utility system for the purposes of another utility system, then such funds may be so applied.

- (h) JEA shall not be required to utilize the personnel, motor pool, purchasing, communication or information systems services of the city. By mutual agreement of JEA and the city such services may be provided from one party to the other but only on a cost-accounted basis. JEA shall be required to use the legal services of the city on a cost-accounted basis except in those cases when the chief legal officer of the city determines that the city legal staff cannot or should not provide legal services in the required legal area. JEA shall appropriate the funds necessary to meet the obligations for outside legal services as determined by the general counsel of the city. The general counsel shall consult with JEA before he or she selects outside counsel.
- (i) Unless otherwise determined by JEA, all revenues and service charges receivable by JEA as payment for the sale of utilities services shall be collected and received by the tax collector. The tax collector shall deposit to the account of or otherwise turn over to JEA such funds at such times and in such manner as JEA may from time to time designate by resolution. JEA may provide for the collection of such revenues and service charges directly by JEA, provided that the council auditor shall be notified in writing of any proposed change from the current collection process utilizing the Tax Collector and that such change shall not take place until the next fiscal year after such notice is given.
- (j) Reserved.
- (k) JEA is authorized to pay over to other local governmental units outside the city annually a portion of available revenues derived from operations in such local governmental units' territories, for the uses and purposes of such local governmental units, an amount not to exceed that which would be calculated using the procedures in Sections 21.07(c) and (e), but only to the extent that JEA is able to, and does, include in the rates imposed only upon the customers in such local governmental units' territories the total amounts in respect of such payments.
- (l) In addition to all other sums paid by JEA to the City of Jacksonville, JEA shall pay to the City of Jacksonville a franchise fee in an amount equal to three percent (3%) of the revenues of the electric system and the water and sewer system as set forth in Section 21.07(c) herein. The franchise fee will commence for revenues derived effective April 1, 2008 and shall be paid monthly with the first payment payable on June 1, 2008. The franchise fee shall be limited to (1) revenues derived within Duval County not including Urban Service Districts 2-5, and (2) per customer, total water and sewer rate revenues, and (3) up to a per customer maximum of \$2,400,000 per fiscal year of electric rate revenues. The franchise fee shall be calculated each month by multiplying three percent (3%) by the sum of JEA's base rate electric revenues, fuel

rate revenues, water rate revenues and sewer rate revenues for that month excluding unbilled revenues and uncollectible accounts. The franchise fee shall be calculated on revenues derived from the sale of gross kilowatt-hours and number of cubic feet of potable water and cubic feet of sewer service as set forth in Section 21.07(c). Notwithstanding the foregoing, no franchise fee shall be paid on franchise fees, state utility taxes, fuel related interchange sales, sales for resale, City of Jacksonville accounts, JEA accounts, investment income and other revenues. JEA shall be authorized to pass-through the amount of the franchise fees set forth herein and associated charges resulting from the stated three percent (3%) franchise fee calculation on rate revenues notwithstanding the \$2,400,000 limit set forth herein to the customers of JEA, in accordance with the customers' proportionate share of rate revenues as calculated above. This franchise fee is in consideration of the administrative costs incurred by the City to coordinate functions and services with JEA, for the exclusive right to serve electric, water and sewer customers, for use by JEA of the public rights-of-way used by it in connection with its electric distribution system and its water and sewer distribution and collection system, and in further consideration of the unique relationship of JEA and the City, in which JEA is a wholly owned public utility, and such other good and valuable consideration that has been agreed to between JEA and the City of Jacksonville. The gross franchise fee and the amount of the pass-through set forth herein may be increased by ordinance, initiated by the Mayor and approved by two-thirds supermajority of the City Council, but the franchise fee shall not exceed six percent (6%) of the gross utility revenues as calculated above. The JEA and the City shall enter into a Franchise Fee Agreement for the administration of the Franchise Fee.

- (m) When JEA is in receipt of a request for information from the council auditor pursuant to the authority of the council auditor under Section 5.10 of the charter, it shall, within two business days of receipt of the request, 1) acknowledge receipt of the request by electronic mail to the council auditor, and 2) submit to the council auditor an estimated timeframe for which the information requested will be available to the council auditor for review. If the information requested by the council auditor is not within the purview of JEA or JEA is unsure of the request or unfamiliar with the information that is requested, it should provide such explanation in its response to the council auditor.

The managing director shall be a graduate of an accredited college or university, and have at least five years executive experience within the utilities industry. The managing director shall have a fiduciary duty of loyalty, fidelity, and allegiance to act at all times in the best interests of JEA and will act in a manner consistent with the responsibilities of this Article and other policies, rules and regulations governing the conduct of JEA employees. - (c) *Other Employees.* The governing body of JEA may appoint and fix the compensation of staff assistants to the managing director, to serve at the pleasure of the governing body of JEA. JEA shall employ and fix the compensation of the department heads, deputy directors of

departments, division chiefs and assistant division chiefs of the utilities systems. JEA may adopt position titles different from those recited herein, consistent with utility industry practice. The managing director, department heads, deputy directors of departments, staff assistants, division chiefs and assistant division chiefs shall not be included within the civil service system of the city. The managing director may employ such certified public accountants, consultants and other employees for special purposes, not within the civil service system, as it may require, and fix and pay their compensation. Whenever used in this Section 21.08, "compensation" shall mean both salary and benefits, exclusive of any city retirement benefits pursuant to Article 16 of the charter.

- (d) *Employment contract restrictions.* JEA may have an employment contract with the managing director only. The managing director's employment contract shall be approved by the governing body of JEA. Nothing in this subsection, or in any employment agreement entered into pursuant to this subsection, may be construed as a guarantee of employment for the managing director at any time, or for any length of time. The governing body of JEA shall approve such bonus program annually for each fiscal year, and if a bonus program is implemented in any fiscal year without first obtaining the approval of the governing body of JEA, such program shall be void. The governing body of JEA shall not delegate its approval authority regarding a bonus program under this subsection to the managing director or any other officer, employee or agent of JEA. Such bonus program must comply with F.S. § 215.425(3), as amended, the charter, and other applicable laws. The governing body of the JEA shall establish rules, procedures, and standards regarding such bonus program. Additionally, JEA shall include a budget line item and specific detailed plan regarding such bonus program as an exhibit to its annual budget submission to council. JEA shall also provide the council auditor with an annual end of fiscal year written report on or before December 31st of each fiscal year regarding the disbursements related to the bonus program. JEA shall post such written report on JEA's website in a conspicuous manner for the public to view.

Sec. 21.09. - Procurement generally; contracts generally.

- (a) *Applicability.* Unless otherwise provided herein, this Section shall apply to contracts entered into by JEA pursuant to this Article.
- (b) *Procurement generally.*
 - (1) *Open and Fair Competition.* To the greatest extent reasonably practicable, JEA shall use open, fair, competitive, and generally accepted government procurement methods that seek to encourage the most competition and best price for the purchase of supplies, construction, professional and other contractual services. JEA should adhere to all applicable state procurement laws, including, but not limited to, laws governing the purchase of construction services and professional design services.
 - (2) *Procedures; governing body approval.* JEA shall not be required to follow the City's procurement procedures. JEA may establish its own procurement procedures regarding the purchase of goods, supplies, equipment, and services, subject to applicable state law. JEA's procurement procedures, including any amendments thereto, shall be reviewed and approved by the governing body of JEA. The governing body of JEA may not delegate its approval of the procurement procedures, including any amendments thereto, to the managing director or any other officer, employee or agent of JEA. In the absence of JEA established procurement procedures, JEA shall follow the city's procurement procedures. JEA shall adhere to its procurement procedures in entering into procurement contracts, including but not limited to, contracts relating to the construction, reconstruction, repair, operation or maintenance of the utilities systems or the purchase of supplies, equipment, machinery and materials for the utilities systems or the contracting or otherwise purchasing for any advisory, professional or other services necessary or incidental to the operation of the utilities systems.
 - (3) *Jacksonville Small Emerging Business (JSEB) Program; Minority Business Enterprises.* JEA shall adhere to the city's Jacksonville Small Emerging Business (JSEB) Program, or successor city program, in its procurement procedures. Subject to applicable federal, state and local laws, JEA is authorized to implement and to take all actions necessary to administer a race-conscious purchasing and procurement program to remedy the present effects of past discrimination by JEA, if any, in the awarding of contracts. Any such race-conscious program

implemented by JEA to remedy the present effects of past discrimination by JEA, if any, in the awarding of contracts must be supported by evidence and based on the required criteria and standards as set forth in applicable federal and state laws.

- (4) *Certain solicitation specifications and standards prohibited; rejection of bids, proposals, and replies.* JEA should not develop solicitation specifications that are so narrowly tailored to an entity or entities that other qualified entities (i.e., bidders, respondents and vendors) are precluded from participating in such solicitation. Additionally, JEA should not develop standards that limit open competition and preclude qualified entities (i.e., bidders, respondents and vendors) from participating in solicitations. JEA shall have the right to reject any and all bids, proposals, or replies, in whole or in part, in the best interests of JEA.
- (5) *Annual survey.* JEA shall annually conduct a survey of actual, interested and prospective bidders, respondents, and vendors to obtain feedback on JEA's procurement process. Such survey shall be on a form approved by JEA and participation in the survey shall be open to actual, interested and prospective bidders, respondents, and vendors. Survey topics may include, without limitation, various aspects of JEA's procurement process such as information transparency and accessibility, pre-conferences, bid submittal packages, evaluations, and awards. JEA shall consider such survey results during JEA's biennial review of its procurement code.
- (6) *Transparency in procurement governing documents.* The procurement code and any procurement policies, operating procedures, rules, directives, standards, and other procurement governing documents, including any amendments thereto, shall be posted on JEA's website in a conspicuous manner for the public to view.
