THIS ADDENDUM IS FOR THE PURPOSE OF MAKING THE FOLLOWING CHANGES OR CLARIFICATIONS:

1. **Question:** This appears to be the same requirement that was included in IFB 1411937846. Please confirm IFB 1411968050 replaces the aforementioned IFB.

Answer: The intent is upon a successful completion of this new solicitation; JEA will be cancelling / rescinding the previous bid for solicitation 1411937846. This new solicitation, 1411968050, has some corrections that became evident after the original bid's submittals were received. Specifically, we are requesting that bidders provide a lead-time for delivery. We are also requesting that bidders quote a very specific AFL cable due to properties that we believe match our project best.

2. **Question:** It appears that the previously approved manufactures have been eliminated from consideration and this is now Sole Sourced to AFL. Please confirm.

Answer: We are seeking bids from packagers that are to provide a very specific AFL AlumaCore Optical Ground wire specification DNO-13101.
