ELECTRIC AND WATER REBATES FOR COMMERCIAL CUSTOMERS

BUSINESS REBATES PROGRAM

ELECTRIC MEASURES

Rebates		\$	Unit
Lighting			
Retrofit lighting		\$0.12	Watt reduced
Lighting controls		\$10 – \$20	Control
HVAC			
3-phase unitary air conditioner	Tier 1	\$25	Ton
	Tier 2	\$40 + \$15 performance	Ton and IEER
3-phase unitary heat pump	Tier 1	\$25	Ton
	Tier 2	30 + \$15/ton performance	Ton and IEER
Single-phase unitary A/C and heat pump (< 65,000 BTU/hr)		\$150	System
All chillers		\$5 x tons x \$175 x tons x (IPLVmin – IPLV)	
PTAC and PTHP		\$50	Ton
HVAC tune-up		\$50 per system	
VFDs		\$50	Hp
Refrigeration			
Anti-sweat heater controls		\$15	Linear foot
Door gaskets		\$4	Linear foot
High-efficiency doors for display case		\$75	Door
Night covers		\$3.50	Linear foot
Strip curtains		\$2.50	Square foot
Auto closers		\$70	Closer
ECM motors		\$50	Motor
Cool roof and window film			
Cool roof (capped at \$5,000 per project)		\$0.10	Square foot
Window film		\$0.40	Square foot
Water heaters			
Heat pump water heater		\$250	Unit
High-efficiency electric storage water heater		\$30	Unit
Custom			
All custom		\$0.05	kWh reduced

WATER MEASURES

	Rebate Amount
Ice machines (capped at \$7,000 per project)	\$300 per 100lbs of ice production
Cooling towers (capped at \$30,000 per project)	\$8 per 1,000 gallons per year reduced
Sink & faucet equipment	
New faucet ≤ 0.5 gallons per minute flow rate	Up to \$105.00
Touchless sensor faucet	\$65.00
Solar- or water-powered touchless sensor faucets	\$65.00
Low-flow aerator	\$8.00
Low-flow shower head	\$10.00
Low-flow salon rinse valve	\$90.00
Kitchen equipment	
Low-flow pre-rinse spray valve	\$60.00
Heat-cleansing, non-continuous flow drop-in dipper wells	\$600.00
Waterless wok	\$1,400.00
ENERGY STAR® qualified steamer	\$450.00
ENERGY STAR qualified ice machine	Refer to Ice Machine Rebate Program
Boilerless/connectionless steamer	\$450.00
ENERGY STAR commercial dishwasher	\$125.00
Restroom equipment	
Composting toilet	\$225.00
High-efficiency toilet = 0.8 gpf replacing 3.5 gpf	\$250.00
High-efficiency toilet = 1.28 gpf replacing 3.5 gpf	\$100.00
Dual-flush toilet ≤ 1.28 gpf/0.92 gpf replacing 3.5 gpf	\$140.00
High efficiency toilet = 0.8 gpf replacing 1.6 gpf	\$100.00
High efficiency toilet = 1.28 gpf replacing 1.6 gpf	\$30.00
Dual flush toilet ≤ 1.28/0.92 gpf replacing 1.6 gpf	\$50.00
Ultra high-efficiency urinal = 1/8 (0.125) gpf	\$75.00
High-efficiency 0.5 gpf urinal	\$50.00
Other equipment	
ENERGY STAR qualified clothes washer	\$100.00
Rain cistern or underground tank (capacity ≥ 200 gallons)	\$320.00
Low-water, no-water, or native landscaping covering 50% of landscaped area	\$400.00
Smart irrigation controllers (weather-based or soil moisture-based)	\$82.00
Drip irrigation system	\$205.00

Business rebates are limited, offered on a first-come/first-served basis and are subject to project and customer eligibility and funds availability.
