ELECTRIFICATION REBATE PROGRAM

Electrification is the Future—

Rebates Available for Electric Kitchen Equipment

JEA customers with a commercial kitchen can work more efficiently when they upgrade to electric kitchen measures. Not only can your business benefit from the rebates JEA offers to make the switch to electric, your business and staff can also experience the following benefits:

- Improved indoor air quality
- Precise temperature control
- Safer cooking environment
- Lower maintenance costs
- Reduced carbon footprint
- Faster heating and cooking times
- Easier to clean and sanitize
- Reduced fire risk
- Compatible with renewable energy sources
- Better temperature consistency
- Lower long-term operational costs
- Healthier workplace for kitchen staff
- Quieter kitchen operations

Kitchen	Available Rebate
Steamers	\$150-\$250
Fryers	\$800
Griddles	\$300
Broilers	\$700
Combination Ovens	\$800
Convection Ovens	\$600

Rebates for custom retrofits, infrastructure upgrades and alternative technologies may be evaluated upon request.
